**PKA Technologies Named to CRN's 2018 Solution Provider 500 List**

Suffern, NY, June 6, 2018 – PKA Technologies, (PKA Tech), announced today that CRN[®], a brand of The Channel Company, has named PKA Tech to its 2018 *Solution Provider 500* list. The *Solution Provider 500* is CRN's annual ranking of the largest technology integrators, solution providers and IT consultants in North America by revenue.

The *Solution Provider 500* is CRN's predominant channel partner award list, serving as the industry standard for recognition of the most successful solution provider companies in the channel since 1995. The complete list will be published on CRN.com, making it readily available to vendors seeking out top solution providers to partner with.

CRN has also released its 2018 *Solution Provider 500: Newcomers* list, recognizing 26 companies making their debut in the *Solution Provider 500* ranking this year.

"To be named to this exclusive status really speaks volumes about the dedication to excellence imbedded into the PKA culture. Technology solutions and having the ability to be a customer's trusted advisor are the DNA of our company. For us, being at the forefront of information and training for our engineers makes all the difference," said Felise Katz, CEO, PKA Tech.

"CRN's *Solution Provider 500* list spotlights the North American IT channel partner organizations that have earned the highest revenue over the past year, providing a valuable resource to vendors looking for top solution providers to partner with," said Bob Skelley, CEO of The Channel Company. "The companies on this year's list represent an incredible, combined revenue of \$320 billion, a sum that attests to their success in staying ahead of rapidly changing market demands. We extend our sincerest congratulations to each of these top-performing solution providers and look forward to their future pursuits and successes."

The complete 2018 *Solution Provider 500* list will be available online at www.crn.com/sp500 and a sample from the list will be featured in the June issue of CRN Magazine.
