**Felise Katz of PKA Technologies Named a Power 30 Solution Provider
Among CRN's 2019 Women of the Channel**

Suffern, NY, May 21, 2019 – PKA Technologies (PKA Tech) announced today that [CRN®](#), a brand of [The Channel Company](#), has named Felise Katz, CEO to its list of 2019 *Power 30 Solution Providers*, an elite subset of its prestigious Women of the Channel list.

CRN's editorial team chooses the list from a multitude of channel leadership applicants and selects the final honorees based on their professional accomplishments, demonstrated expertise, and ongoing dedication to the IT channel. The *Power 30 Solution Providers* belong to an exclusive group of the overall list: women leaders in solution provider organizations whose leadership and vision are key drivers of their companies' success and have had significant influence to move the entire IT channel forward.

Felise is the model, regardless of gender, when it comes to leadership in the high tech industry. She has steadily navigated PKA Tech through all the rapid technology changes and competitive threats, as well as the economic and geo-politic impacts of the past decades. PKA Tech remains today, a Platinum HPE Partner, healthier and stronger than ever, " said Paul Cohen Sales Vice President of PKA Tech.

"CRN's 2019 Women of the Channel list honors influential leaders who are accelerating channel growth through mutually-beneficial partnerships, incredible leadership, strategic vision, and unique contributions in their field," said Bob Skelley, CEO of The Channel Company. "This accomplished group of leaders is driving channel success and we are proud to honor their achievements."

PKA Tech believes, "as a full-service solutions provider, we understand that each IT environment has its own unique business needs. For this reason, we hold the highest certifications and partner levels to provide the best talent and solutions available on the market. We pride ourselves in our long-standing relationships with our clients to assure that their business needs and initiatives are continuously met as technology endlessly evolves."

The 2019 Women of the Channel and *Power 30 Solution Provider* lists will be featured in the June issue of CRN Magazine and online at www.CRN.com/WOTC.
